Liturgical Press. Paperback. Book Condition: new. BRAND NEW, Imagining Abundance: Fundraising, Philanthropy, and a Spiritual Call to Service, Kerry Alys Robinson, Fundraising is ministry-a transformative ministry that challenges all people to realize their own gifts and how they can be used for the benefit of the church. In Imagining Abundance, Kerry Robinson focuses on reasons why each of us are called to be stewards. We act because we're excited about what it is that we do for the church and where we're called by God to be, we want others to be just as excited about what that is, and we want people to be partners with us in that ministry. In Imagining Abundance, Kerry Robinson offers an inspirational and practical guide to effective fundraising that is ideal for anyone invested in a faith community. Bishops, provincials, pastors, ministers, executive and development directors and trustees of faith-based organizations will benefit from this healthy approach to the activity of fundraising that situates successful development in the context of ministry and mission.
