Whatever grace I d seen accumulated, reflected in her elegance, was betrayed by that terrible mask, its dreadful emptiness. Maybe it was this, the space in between, between tragedy and grace, that drew me towards her. But when she reached under her cape, pulled out my scrap of paper and studied it, I didn t hesitate. I raised my gun to her head. I took aim. Are we really in control of our lives? Or are the stories we tell ourselves, to make sense of the world, nothing more than illusion? In HORRORSCOPE, the human desire for destiny, for a sense of purpose, collides with everyday chaos to create a kaleidoscope of sex, death, love and betrayal. As unconnected events begin to suggest an arc of predestination, secrets and confessions from the past paint an increasingly disturbing portrait of a man who, far from being the tragic outcast we first meet, may well be a manipulative and possibly dangerous fantasist. Never sure whether our narrator is deceiving himself, creating an elaborate fantasy or telling the truth, HORRORSCOPE draws the reader into a dazzling world where nothing is quite what it seems, and where a creeping sense of dread promises a terrifying climax. HORRORSCOPE. A revelation awaits. For more information, and to read excerpts from the novel, please visit.
