Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Junius Herman)

SHARK SCHOOL

Templar Publishing. Paperback. Book Condition: new. BRAND NEW, Shark School, Davy Ocean, Aaron Blecha, Welcome to Shark Point, a beautiful rural reef community where different species of fish live side by side! Young Harry Hammer would give his right fin to be as fast as a blue shark, as cool as a tiger shark, or as downright terrifying as a great white. Determined to prove that he's just as brave, tough and scary as any fish in the sea, Harry throws himself into a series of daring adventures, in which only his loyal friends - and his own unique hammerhead abilities - keep him out of trouble. Harry's class is on a school trip to a famous shipwreck. When Harry and his friends find themselves trapped inside the dangerous wreck, can his hammerhead vision help them find a way out?.
