Seal Press. Paperback. Book Condition: new. BRAND NEW, Invisible Girls: The Truth About Sexual Abuse (2nd Revised edition), Patti Feuereisen, Caroline Pincus, The statistics are staggering. One in four girls will experience sexual abuse by the time she is sixteen, and 48 percent of all rapes involve a young woman under the age of eighteen. It's not surprising then, that in a society where sexual abuse of young women is rampant, many women never share their stories. They remain hidden and invisible. In her pioneering work with young survivors through the last thirty years, Dr. Patti Feuereisen has helped teen girls and young women to find their voices, begin healing, and become visible. In this revised second edition, Dr. Patti's gentle guidance and the girls' powerful stories continue to create an encouraging message: Remarkable healing is possible if girls learn to share their stories in their teens and early twenties. With a new introduction, new chapters, and updated resources, this new edition of Invisible Girls has even more to offer girls, young women, and those who care about them.
