Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes on the Commercial Timbers of New South Wales The object of this pamphlet is to give information in regard to the principal commercial timbers of New South Wales, in language as devoid as possible of scientific technicalities. Only those points are touched upon that are of practical moment to the timber-getter, saw-miller, merchant, or user. I have endeavoured to give an impartial statement of the merits of our timbers as we know them in 1895. In course of time some of the estimates of the qualities of particular timbers may require to be modified, and other timbers, not at present employed, may be shown to be useful for special purposes. If I have erred in my estimate of the usefulness of a particular timber, I shall be glad to be set right. For the last fourteen years I have been almost daily occupied in the diagnosis and critical examination of colonial timbers of all kinds; I have been a large user of many kinds of colonial timbers for miscellaneous purposes, and I have visited...
