

Complementary and Alternative Medicine: Legal Boundaries and Regulatory Perspectives

By Michael H. Cohen

JOHNS HOPKINS UNIVERSITY PRESS, United States, 1998.
Paperback. Book Condition: New. New.. 229 x 153 mm.
Language: English . Brand New Book. A third of all Americans use complementary and alternative medicine-including chiropractic, acupuncture, homeopathy, naturopathy, nutritional and herbal treatments, and massage therapy-even when their insurance does not cover it and they have to pay for such treatments themselves. Nearly a third of U.S. medical schools offer courses on complementary and alternative therapies. Congress has created an Office of Alternative Medicine within the National Institutes of Health, and federal and state lawmakers have introduced legislation authorizing widespread use of such therapies. These institutional and legislative developments, argues Michael H. Cohen, express a paradigm shift to a broader, more inclusive vision of health care than conventional medicine admits. Cohen explores the legal issues that health care providers (both conventional and alternative), institutions, and regulators confront as they contemplate integrating complementary and alternative medicine into mainstream U.S. health care. Challenging traditional ways of thinking about health, disease, and the role of law in regulating health, Cohen begins by defining complementary and alternative medicine and then places the regulation of orthodox and alternative health care in historical context. He next examines the legal...
