The University Press of Kentucky, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. The American position on Russia during the First World War was defined by the same idealism that guided our relations with other countries. Woodrow Wilson and American leaders had hailed the Revolution of March 1917 as an expression of the true spirit of Russia, a harbinger of democracy. The Bolshevik revolt and the civil war that followed were, in their eyes, only temporary disturbances. Still, the growth of the new democracy would only prosper if the Russians could restore order to their beleaguered land. In this book Linda Killen examines a hitherto neglected instrument of American policy in Russia-the Russian Bureau of the War Trade Board. With support from the administration, the bureau was established by Congress in October 1918 as a public corporation with a fund of \$5 million to facilitate trade between Russia and America, for government and business leaders thought that the Russians could be helped to resolve their problems with the income from trade. The bureau was also to assist in two areas essential to trade, stabilizing the currency and restoring the transportation system. With the signing of the peace treaty, however, the bureau as a wartime agency was dissolved in June 1919 and its work assigned to the State Department. As one of the first American attempts at foreign aid, the bureau s program was necessarily tentative, but Linda Killen shows that, as a specific case, the bureau offers an instructive example. It reveals a widespread ignorance of Russian affairs both in government and in business circles. More importantly, it demonstrates the fatal weakness of an idealistic policy that was blind to political realities. Perhaps, the bureau s most tangible accomplishment came when...
