

## Other Healers: Unorthodox Medicine in America

Filesize: 8.62 MB

### ***Reviews***

*These types of book is the greatest ebook readily available. I was able to comprehended every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.*

*(Dr. Porter Mitchell)*

## OTHER HEALERS: UNORTHODOX MEDICINE IN AMERICA

Johns Hopkins University Press. Paperback. Book Condition: New. Paperback. 324 pages. Dimensions: 9.0in. x 5.8in. x 0.8in. Sixty million Americans have relied at some point in their lives on osteopaths, chiropractors, folk or religious healers, naturopaths, homeopaths, and acupuncturists; millions more employ alternative psychological systems, unorthodox diet and fitness programs, and a range of self-help treatments. Yet until recently, most historians and social scientists of medicine have assumed that unorthodox movements were of comparatively minor significance in the study of medicine and society. In *Other Healers* Norman Gevitz and eight other authors explore the most significant alternatives to orthodox medicine to have gained a place in American society from the early 19th century to the present. Neither advocating nor debunking these alternatives, they explore phenomena that range from Thomsonism, the early botanical system that was progenitor of the first native American sects, to the faith-healing of contemporary pentecostals and charasmatics; from the Water Cure Movement, which provided important support for the efforts of early feminist reformers, to osteopathy, whose practitioners are now licensed to offer the same range of services as M. D. s. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
