While she is recovering from an attack by a serial killer called the Acid Man, her husband leaves her. Physically and emotionally scarred by the murderer, Kelly feels she will never be the same. She is cut off not only from her husband and child, but also from her fellow FBI agents, who see her as a rogue for going after the Acid Man alone. Love is hell. Matt Connor knows this is true. His love for his girlfriend, Amy, is so intense that he feels he is in heaven when he is with her. When Amy leaves him for another man, Matt is shattered.
