Reviews

Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.

(Harold Spencer)

CIVIL RIGHTS JOURNAL, VOL. 4 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Civil Rights Journal, Vol. 4 Demography, social scientists are fond of saying, is destiny - by which they mean that changes in the make-up of a population group lead to slow but inexorable transformations in economic, cultural, and political power. If so, the seismic shift now underway in America's demographic composition is fateful indeed. Consider the trend: in 1950, fully 82 percent of the US population was non-Hispanic white; 11 percent was black; and the remaining 7 percent was Hispanic, Asian Pacific American, and Native American. In 2050, only 53 percent of the US population will be white; 24 percent will be Hispanic, 14 percent black; 8 percent Asian, and about 1 percent Native American. Sometime after 2050, minority groups will outnumber whites. Or, to put it differently, we will all have become minorities. The trend vexes some commentators, including some in the political mainstream, who argue unapologetically that America is a white nation and who advocate a ban on immigration. Other commentators reject racial arguments but are concerned that the growing diversity of today's minority groups, coupled with what they view as an over-emphasis on cultural pluralism, might lead to a dis-unified nation lacking the strength that has traditionally come from widespread adherence to America's core values. The optimistic view takes the truism that America is a land of immigrants not just as an historical fact but as an organizing value. From the Boston Tea Party on, self-defined groups of any sort are never more American than when protesting some perceived social wrong. America's cacophony is not a sign of its weakness, though it's often taken as such, but...
