Syracuse University Press. Hardback. Book Condition: new. BRAND NEW, This Part of the World: A Novel, Samuel Hazo, Premier Caseres rules his country with a ruthlessness that puts him in the elite category of Trujillo, Mugabe, and Kim Jong Il. A potent orator with a martinet style of leadership, Caseres' ability to instill fear and reverence in his people has secured his place in power. However, the dictator's human frailties run as deep as his stoicism. He is plagued with a heart condition that keeps him popping 'pills like pistachios' and a son and heir to his leadership who has a taste for fast cars and little else. Finally, his devotion to Magdalena, his mistress, threatens to disrupt his unchallenged autocracy."This Part of the World" traces a new path into the heart of darkness. Samuel Hazo offers the reader an intrepid portrait of conscience, charisma, and the slow corruption of the human spirit. Hazo writes with a steely clarity and sharp satirical edge, bringing to life his tragic subject and illuminating the fate of a nation.
