Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Hyde Park. 1 Paperback(s), 2015. soft. Book Condition: New. Growing up in England's New Forest with his Uncle Peter and Aunt Sally, red squirrel Luke Bushytail didn't know he had a sister until a mysterious photograph of a girl squirrel fell out of one of his books. Determined to find her, he leaves his country cottage for London's bustling streets, where Holly lives in the Hyde Park house of their Great Uncle George. Along the way he is robbed, lost in the rain, and runs up against a sly cat and her band of mouse thieves. But he finds kindness too in the city, and friends to help him on his way, in this first book in the Hyde Park Squirrels series. Set in Victorian London, with an almost Dickensian array of animal characters rendered in richly detailed paintings, this book for readers 4 to 7 relates the adventures of Lucas and Holly Bushytail, two red squirrel siblings who were separated shortly after birth and raised in two different homes. 32.
