Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

THE VIRAGO BOOK OF THE JOY OF SHOPPING

Little, Brown Book Group, United Kingdom, 2008. Paperback. Book Condition: New. 198 x 125 mm. Language: English . Brand New Book. Jane Austen found her sister Cassandra a locket. Joan Didion bought nail enamel and a toaster on impulse. Karyn Bosnak charged \$20,000 on credit cards - and wild child Elizabeth Wurtzel got caught shoplifting. George Eliot, on the other hand, hated shopping. Those are the true stories, but there are hundreds of fictional shoppers: The Girl with the Pearl Earring turned up her nose at some stale meat; Tom Ripley lusted after Venetian leather goods, while Jane Eyre cringed at Mr Rochester's pre-wedding excess. This is the first anthology to feature writing about shopping by women throughout history. Buy it.
