Extremely impressive and inspiring. Your material helps break down those barriers that say being vulnerable, being honest, being scared is what's going to hurt you. I think it is fantastic that your writing serves to remind all of us to be US. Not to pretend to be something else just to fit in. You nailed it with the final sentence. It's really thought provoking. Even though some sections are about you, they might as well be written about me. It is such big things put in such simple words. Every page relates to anybody. This book will become the starting point and a catalyst for anyone's awesome journey ahead.
