Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Meant for each other .Meet Oliver, a prince literally taken from the pages of a fairy tale and transported into the real world. Meet Delilah, the girl who wished Oliver into being. It's a miracle that seems perfect at first - but there are complications. To exist in Delilah's world, Oliver must take the place of a regular boy. Enter Edgar, who agrees to play Oliver's role in the pages of Delilah's favorite book. But just when it seems that the plan will work, everything gets turned upside down. In this multilayered universe, the line between what's on the page and what's possible is blurred. Is there a way for everyone to live happily ever after?
