Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Sword of Welleran and Other Stories is the third book by Irish fantasy writer Lord Dunsany, considered a major influence on the work of J. R. R. Tolkien, H. P. Lovecraft, Ursula LeGuin and others. It was first published in hardcover by George Allen Sons in October, 1908, and has been reprinted a number of times since. Issued by the Modern Library in a combined edition with A Dreamer s Tales as A Dreamer s Tales and Other Stories in 1917. The book is a series of short stories, some of them linked by Dunsany s invented pantheon of deities who dwell in Pegana, which were the focus of his earlier collections The Gods of Pegana and Time and the Gods. One of the stories, The Fortress Unvanquishable, Save for Sacnoth, was afterwards (1910) published by itself as a separate book, a now very-rare Art-and-Craft style limited edition.
