Chaosium, United States, 2013. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The House of Rlyeh contains five scenarios that closely follow the events of H.P. Lovecraft stories. They are set in Boston, Providence, the British Isles, continental Europe and the Middle East. None of the scenarios need to be played at set dates or in a set order, but they could be run in the order presented to form a loose campaign using optional links between scenarios to draw investigators from one to the other. Alternatively, the scenarios may be used to supplement classic Call of Cthulhu campaigns such as The Shadows of Yog-Sothoth and The Fungi from Yuggoth, the latter currently in print as The Day of the Beast, both of which suggest their component scenarios should be interspersed with others. The first scenario in this book, ?The Art of Madness? follows on from the events of the Lovecraft tale ?Pickman?s Model? Artist of the macabre, Richard Upton Pickman, is now a ghoul living a subterranean netherworld beneath Boston creating a new school of art. There are several ways that player characters might be drawn into investigating his macabre activities and, while dangerous, Pickman?s intent is not particularly lethal. The difficulty for investigators will be to resolve the situation without becoming compromised. While in New England, the investigators discover ?The Crystal of Chaos?, a retelling of the events of Lovecraft?s ?The Haunter of the Dark? Hired by professors of Miskatonic University, the investigator seek out a fabled crystal with origins in Ancient Egypt, but they soon find a far greater evil lurks in an abandoned church in Providence. This scenario originally appeared in Different Worlds issue 34, May/June 1984, and has been expanded and revised in this publication....
