FLUID CITY: TRANSFORMING MELBOURNES URBAN WATERFRONT

Routledge. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 9.1in. x 6.1in. x 0.7in. Fluid City traces the transformation of the urban waterfront of Melbourne, the re-vitalization of the Yarra River waterfront, Melbourne Docklands and Port Philip Bay. As the financial and industrial centre of Australia, in the late nineteenth century, Melbourne developed a new world exuberance. Yet the twentieth century saw Melbourne suffering from a declining industrial and economic base. The city in the 1980s was de-industrialising, and the re-facing of the city to the water was a key urban strategy of the 1980s and 90s and a catalyst for economic transformation. This book bridges significant gaps between different discourses about the city and to challenge singular ways of viewing the city. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
