HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Adrian Mole Diaries: The Secret Diary of Adrian Mole, Aged 13 3/4 / The Growing Pains of Adrian Mole, Sue Townsend, Adrian Mole faces the same agonies that life sets before most adolescents: troubles with girls, school, parents, and an uncaring world. The difference, though, between young Master Mole and his peers is that this British lad keeps a diary--an earnest chronicle of longing and disaster that has charmed more than five million readers since its two-volume initial publication. From teenaged Adrian's anguished adoration of a lovely, mercurial schoolmate to his view of his parents' constantly creaking relationship to his heartfelt but hilarious attempts at cathartic verse, here is an outrageous triumph of deadpan--and deadpan is accurate--satire. ABBA, Princess Di's wedding, street punks, Monty Python, the Falklands campaign . . . all the cultural pageantry of a keenly observed era marches past the unique perspective of Sue Townsend's brilliant comic creation: A . Mole, the unforgettable lad whose self-absorption only gets funnier as his life becomes more desperate.
