Reviews

Great e book and helpful one. It really is written in straightforward terms and not hard to understand. You can expect to like how the blogger writes this book.
(Hudson Christiansen)

WHAT REALLY HAPPENED IN NORTHERN IRELAND'S COUNTERINSURGENCY REVISION AND REVELATION

Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The current conflicts facing the United States and its allies around the world have brought the discussion of counterinsurgency to the forefront of security studies and international politics. Dr. Thomas Henriksen's monograph on Northern Ireland wades into the discussion regarding good historical case studies that can best provide insight into our current situation. There is a predilection for scholars and professional military officers to look at a limited number of case studies, such as Malaya and Vietnam, to seek insights about counterinsurgency prowess and ways to improve today's fighting forces. Dr. Henriksen's selection of Northern Ireland provides a rich case study of a hotly contested space that represents an ethnic and religious conflict set in Western Europe. He provides an excellent, short, historical background to frame his analysis. Understanding the historical antecedents of an insurgency is a critical element in any case study because insurgencies are local, not global events. International issues may influence what occurs in an insurgency, but locals rise up in rebellion for their personal grievances or desires. As you read the monograph, I strongly encourage you to consider the case study through the prism of a whole of government approach to dealing with insurgency. Counterinsurgency is a long-term process that, especially in a democracy, requires widespread, sustained political support from the broad elements of government. The ultimate goal of this whole of government approach is to wean the population away from supporting the insurgents. Restrained security force operations provide a secure space for political and economic opportunities/reforms to steal the insurgents' thunder. The execution of a nuanced campaign is the difficult task—that is, the devil is in the details. Is Northern...
