Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

CHILDREN OF JESUS AND MARY: THE ORDER OF CHRIST SOPHIA

Oxford University Press, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The Order of Christ Sophia (OCS) is a small New Religion which, in the short span of eight years, has evoked intense controversy. An unusual synthesis of traditional Catholicism, esoteric cosmology, and psychotherapy, the Order of Christ Sophia already has centers in a dozen major cities in the United States. Its treatment of gender is refreshingly egalitarian; women can be priests, and Mary is deified and given equal status with Jesus. Another unusual feature of the group is its emphasis on psychology and prescription of intensive psychotherapy for all members. In addition to the six core chapters of the book authored by Lewis, three other experts contribute chapters on: the results of personality and I.Q. tests administered to members; membership attitudes; comparison of OCS with mainstream denominations; and sex roles in the OCS.
