J Ross Publishing. Paperback. Book Condition: new. BRAND NEW, Achieve PMP Exam Success: A Concise Study Guide for the Busy Project Manager (5th Revised edition), Diane Altwies, Janice Preston, This book is fully aligned with the PMBOK[registered] Guide - 5th Edition (2013) by PMI[registered]. This best-selling study guide provides busy project managers with a brief, yet proven comprehensive self-study program for successfully passing the Project Management Professional (PMP[registered]) Certification Exam on the first attempt, while cutting study time in half. Readers will have free web-based access to over 1300 questions including hundreds of situational questions, enabling users to perform practice tests by simulating actual 200 question exams and arrange questions by knowledge area. It covers all subjects addressed on the PMP Exam, including the comprehensive performance domain and cross-cutting knowledge and skills defined within the PMP Examination Content Outline and the PMI Code of Ethics. It provides free online access to over 1300 practice questions, including hundreds of situational questions, enabling users to perform practice tests by knowledge areas and/or simulate actual 200 question exams, and receive feedback on incorrect answers. It presents a pre-assessment test to help users develop a focused study plan, tips for studying, time management, and taking the exam, and a post-assessment test to evaluate readiness for the actual exam. It supplies things you need to know, key definitions, and sample exam questions and answers, and features a case study that runs throughout with exercises and suggested solutions to reinforce concepts and build real competency. WAV offers downloadable flashcard study aids of key terms and concepts, a training aide, and a self-study exercise on understanding the interdependencies of all the processes defined in the PMBOK[registered] Guide.
