Rage and Reason

By Tobias Michael

A K PR INC. Book Condition: Neu. Neu Neuware, Importqualität, Versand Büchersendung - Michael Tobias' latest work of fiction is a shocking, breath-stopping political thriller which tracks the fury of an outraged ex-Special Forces veteran who turns to violent retribution in defense of the earth and its fauna. Rage and Reason is an unstoppable rollercoaster of action which explodes across four continents--a chief executive's severed head is served up at a stockholder's luncheon. a furrier is skinned alive. Thai poachers are deftly eliminated. and the first day of hunting season in the Maine woods is turned into a human massacre. Rage and Reason is as vivid a portrayal of the horrors of vivisection and the meat industry as Upton Sinclair's classic The Jungle. A terrific story, told from the heart, its soul rich with knowledge. Some people and corporations should lose sleep wondering if Rage & Reason will ever become a real life thriller for them.--Ingrid E. Newkirk, President, PETA--People For The Ethical Treatment Of Animals< Englisch.
