Dalit in India: Past and Present

By R.M. Sarkar

Serials Publications, 2006. Hardcover. Book Condition: New. The Dalit issue is not only confined to a mere socio-political phenomenon, but it is seen to be deep-rooted into the historical context of the multi-caste social settings in India. There is no denying of the fact that the Dalits have been raising various thoughtful questions during the different times that are found to be reflected in the variegated behaviour- patterns and action-orientations of this oppressed group of humanity to having multifaceted ways and means for the maintenance of life. Gradual awakening of the Dalits under the leadership of the towering personalities, no doubt, has exerted a strong protest against the unjust thinking patterns nurtured by the advantageous caste groups. The emergence of a newly developed perception of identity among the Dalits has brought forward a challenging force against the age-long system of exploitations at cultural, economical and political levels. The present anthology, comprised of 17 papers and a broad-based introduction has presented an overall cognizance on the patterns and perspectives of the varied spheres of interactions that have been and are being effected in the long course of their journey through time and space. The application of historical, sociological and anthropological methodologies...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dana Hintz**

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
