By Ha Jin

BRAND NEW, In the Pond, Ha Jin, Shao Bin is a factory fitter in a small Chinese town, a poor and unconnected man with a young wife and a small child, but also an accomplished artist and calligrapher. He's worked at the plant for six years, so feels that this time his family will get an apartment in Worker's Park, where his wife won't have to walk two miles to wash their clothes. But the party controls everything in the town, and again, the apartments go to corrupt officials and their cronies. Outraged, Bin pens a series of political cartoons attacking them, and finds his trouble is only just beginning.

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
