Brand New Book ***** Print on Demand *****.CCLC 2: Comprehensive Company Leadership Competencies, part two on managing communication, professional relationships and conflicts in companies and organizations. Company- and in-company leaders do not avoid- but manage conflicts on the work floor. Bridging differences can be enriching for work and team! This book and software are priceless; they describe the concepts and theories behind rise and escalation of conflicts and their crippling effects on work and people. After reading this book, leaders in companies on operational, tactical and strategic levels will not only know exactly what to do to detect escalation before it is too late, they will be able to motivate, instruct and guide their people towards mutually established bridges that take teams to an enriched level of performance. The package we offer is this book and instruction software with movie clips, real life examples, essential to understanding the whys , hows and whats . The application is important to use for understanding, communicating and mediating when there are multiple escalated conflicts. In CCLC1 we learned how to prevent conflicts and now we learn how to detect on time and intervene the best way possible! After starting with this system, companies look back and are amazed with the transformations they made. The book describes and shows how to guide employees during each stage of escalation and according to specific needs. It tells us how to save time by setting up a negotiation system that works for each specific situation and employee, and guide the progress in a way that is engaging and exciting for the personnel member. BBGC offers information, training, practice consultation, tools and instruments to companies and other entities to attract, select, recruit,...
