A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Penlight Publications. Hardback. Book Condition: new. BRAND NEW, Jordan and the Dreadful Golem, Karen Goldman, Rachel Moseley, The children of the Israeli town of Keshet are born with the ability to bend nature to their will and 13-year-old Jordan has just discovered his gift of the power to transform into water. All of Jordan's friends have unique powers: Noam can alter cloud formations, Ellah can spin webs, and little Eden can create the strange animals she sees in her dreams. No one knows the source of these powers except, perhaps, Miss Sara, the mysterious town matriarch who helps the children find and control their talents using Kabbalah and other mystical teachings from Israel's forgotten past. However, someone has discovered the secret of the children of Keshet, and wants to use their powers for his own sinister purposes. To prevent such a disaster, Jordan and his friends must use their gifts to defeat an enemy who wields the power to erase the line between the living and the dead. Incorporating Jewish mythology and referencing various practices of Judaism, this book is a tale of friendship and the power of teamwork in the face of adversity.
