Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pictures of Illinois One Hundred Years Ago As this, the Sixteenth Volume of The Lakeside Classics, goes to press, the world is celebrating the armistice that ends the fighting of The Great War. During the past year the war program has greatly disorganized American industry - taking many into direct military service, transferring many from non-war to war productions, and leaving the less essential industries curtailed and disorganized. The business of printing has suffered perhaps more than its share of this disorganization, and though the Lakeside Press has been no exception, it takes pride in its service flag of 200 stars and mourns and honors the three brave boys who have made the supreme sacrifice. The record made by the graduates and the older apprentices of the School for Apprentices is especially noteworthy. Of 68 graduate journeymen, 35 are in uniform, as are likewise 20 of the 100 apprentices who are over eighteen. That so large a proportion of these boys should have answered their country s call is a tribute to the esprit de corps and patriotic sentiment of the school.
