Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Kaveri Book Service, New Delhi, India, 2014. Softcover. Book Condition: New. First Edition. The book tries to analyse how government and citizen relationship are changing in the globalized world. Government to Citizen relationship is the most basic aspect of any democratic governance. In modern times, Government deals with many aspects of the life of a citizen. The relation of a citizen with the Government starts with the birth and ends with the death of the citizen. A person transacts with the Government on every corner of his life. May it be birth registration, marriage registration, divorce or death registration? The Government to Citizen relation will include the services provided by the Government to the Citizens. These services include the public utility services i.e. Security, Telecommunication, Transportation, Post, Medical facilities, Electricity, Education and also some of the democratic services relating to the citizenship such as Certification, Registration, Licensing, Taxation, Passports, and ID Cards etc. Having committed ourselves to democracy, rule of law and human rights for organizing governance and addressing the aspirations of the people, the legitimate ways for resolving the problems have to be found within the framework of the Indian Constitution. The Constitution is not just a law or an instrument of governance. It is a social and moral document embodying the manifesto or vision of one billion Indians, diverse in several respects but united in terms of the social contract to build a Sovereign, Socialist, Secular and Democratic Republic. The philosophy of the constitution, its role in reconstructing Indian society and the relative roles and responsibilities of citizens and the State are inadequately understood by those in charge of governance and the people for whom the system is designed. The first step towards addressing the challenges we face today is to re-visit the original social contract and the preamble...
