Piccadilly Books,U.S. Paperback. Book Condition: new. BRAND NEW, Oil Pulling Therapy: Detoxifying and Healing the Body Through Oral Cleansing, Bruce Fife, If you have bad breath, bleeding gums, cavities, or tooth pain - you need this book! If you suffer from asthma, diabetes, arthritis, migraine headaches, or any chronic illness, and have not found relief, this book could have the solution for you. All disease starts in the mouth! As incredible as it may sound, most of the chronic and infectious illnesses that trouble our society today are influenced by the health of our mouths. Our mouths are a reflection of the health inside our bodies. If you have poor dental health, you are bound to have other health problems. Despite regular brushing and flossing, 98 percent of the population has some degree of gum disease or tooth decay. Most people aren't even aware they have existing dental problems. Recent research has demonstrated a direct link between oral health and chronic illness. Simply improving the health of your teeth and gums can cure many chronic problems. More brushing, flossing, and mouthwash won't do it. What will work is Oil Pulling Therapy. Oil pulling is an age-old method of oral cleansing originating from Ayurvedic medicine. It is one of the most powerful, most effective methods of detoxification and healing in natural medicine. Dr Fife's "Oil Pulling Therapy" is a revolutionary new treatment combining the wisdom of Ayurvedic medicine with modern science. The science behind oil pulling is fully documented with references to medical studies and case histories. Although incredibly powerful, Oil Pulling Therapy is completely safe and simple enough for even a child. Oil Pulling Therapy guarantees to give you fresher breath, healthier gums, whiter teeth and help protect you from many chronic health problems.
