## Beyond the Pale: The Outlander

By MR Senan Gil Senan

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A fascinating and frightening picture of a believable futuristic city where technology is king and the citizens are oppressed and their every move is recorded and monitored. There is a love story in here, a criminal underworld, spiritualism, dangerous journeys trying to evade the authorities. The pace of the narrative is exciting from start to end, an entertaining and thought provoking read. It is 2062 and the world is a very different place. It is 40 years since a series of natural disasters and earth changes have caused the world's economy to collapse and destroyed the old world system. Unable to protect their citizens from plagues and a climate out of control, nations and political systems have shown themselves to be impotent and inept. They have been replaced through the rise of self-contained city states. The Earth's remaining population of approximately 500 million is now restricted to living within the confines of the 250 newly constructed citadels located worldwide. By their mutual consensus, it has been agreed that outside of these metropolises, the land...

*Totally one of the better pdfs I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
